

## Service Charges

**Includes the servicing of all  
smoke detectors per property /  
flat / apartment at**

**\$90+ GST**

- The service includes the replacement of 9-volt batteries in all smoke detectors with backup batteries.
- The service includes the replacement of all expired and faulty smoke detectors, including hard-wired smoke detectors.\*
- Our service is guaranteed for 12 months. No matter how many times Detector Inspector is called out to a property, you are covered under our annual \$90.00 + GST service charge.

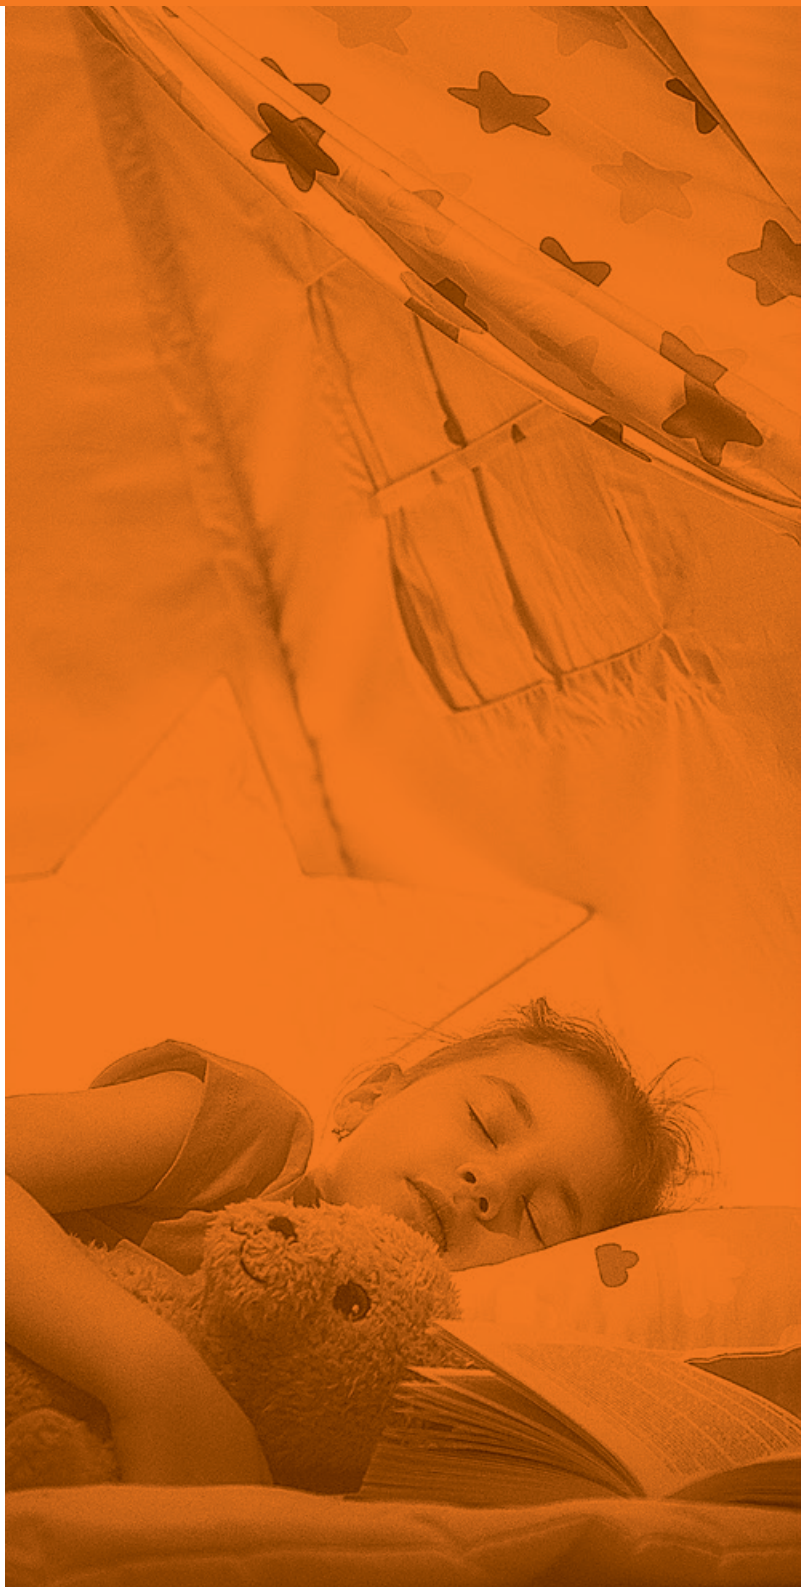

**\$90.00 + GST is all you will pay^**

Our annual charge is fixed at \$90.00 + GST. We will ensure your property is in compliance with the Australian Standards AS 3786, the Building Code of Australia and relevant state-based legislation.

Our fixed service charge will give you peace of mind that there will be no extra hidden costs.

\*Service only includes the free replacement of smoke detectors installed in locations that are deemed required in the Building Code regulations.

^Service and costs are subject to change with prior notification.
